

# Facts & Figures

[www.tams.asn.au](http://www.tams.asn.au)

- The Tasmanian Association of Municipal Supervisors (TAMS) was formed in 1988 to provide a central organisation of Supervisors associated with Local Government in Tasmania.
- The Association operates as a corporate body and currently has approximately 80 members.
- Each year conducts a two day conference in conjunction with IPWEA.
- Makes available study an award known as the "Lance Holmes Awards".
- Encourages attendance at the National Works and Engineering Conference by providing sponsorship for a member to attend under certain criteria.
- Has representation on various Local Government working groups.
- Holds Three Ordinary General Meetings (including one Field Day) per year for members to interact with colleagues and keep abreast of new technology.
- Offers the opportunity for Corporate Members to sponsor events, such as meetings, and provide relevant information to a wide cross section of the Local Government community.
- TAMS have a Memorandum of Understanding with the Institute of Public Works Engineering Australia (Tasmania Division)
